## "Created To Be Me" Camping Program

The "Created To Be Me" aka "Eighter's" camping program began the summer of 1988 at Lake Brownwood Christian Retreat Center in Texas. The camping program has expanded from four camps in Texas to Kentucky, North Carolina, Maryland, Indiana, Tennessee, and Kansas City (which also included youth from Great River Region of the Christian Church).

The final total of **campers that have gone through the "Created To Be Me" camping program since 1988 is 5,230 as of summer 2010!** We also now have many small group leaders and camp directors who were part of the camping program when they were completing the eighth grade.

Dates for next summer's camps are being formulated and should be up on

Rev. Keith & Rev. Crystal McAliley  
New Keynoting Team

our website, [clerministries.org](http://clerministries.org), by December 1st. We will also include the location of camps and who you need to contact if you have a youth who will be entering ninth grade in the fall of 2011. The camping program is open to any soon-to-be ninth grade youth regardless of church affiliation.

### We need your help!

It is the time of year when churches and individuals began to look at their outreach priorities for 2011. The Board of Directors of CLER Ministries hopes that part of your outreach will be a gift to CLER Ministries to help us continue to reach families and youth with much-needed sexuality education.

As our camping program has expanded we have had to take a break from taking on new camps until we can catch up with the training of new keynoters. The expenses for our training program and congregational program have greatly increased. Any assistance that you can give us will be greatly appreciated. We are a **501(c)(3) corporation** and you can mail contributions c/o CLER Ministries, at 2931 Laurel Mist Crt., Kingwood, Texas 77345.
